P. O. ADDRESS.

I... James Finley ... of the Village ... of Lincoln  
in the County of Hastings.  
I... Charles J. White ... of the Village ... of Lincoln  
in the County of Hastings.

Make oath and say:—

1. That I have, according to the best of my information and belief, set down in the above assessment roll all the real property liable to taxation situate in the municipality of the Village of Lincoln; and I have justly and truly assessed each of the parcels of real property so set down at its actual cash value as it would be appraised in payment of a just debt from a solvent debtor and as prescribed by law; except ground bona fide enclosed and used as a paddock, park, lawn, garden or pleasure ground, which I have assessed at a valuation which at six per centum would yield a sum equal to its annual rental for the purposes for which it is used. Except vacant ground, and ground used as a farm, garden or nursery, and not in immediate demand for building purposes, which I have assessed according to the value prescribed by law.

2. That the said assessment roll contains a true statement of the aggregate amount of the personal property, or the taxable income, of every person named in the said roll, and that I have estimated and set down the same according to the best of my information and belief.

3. That I have entered thereon the names of all the resident tenants and freeholders, and of all other persons who have required their names to be entered therein, with the true amount of property occupied or owned, or of income received by each; and that I have not entered the name of any person whom I do not truly believe to be a tenant or freeholder, or the bona fide occupier or owner of the property, or in receipt of the income set down opposite his name, for his own use and benefit, or otherwise to be entitled by law to be so entered.

4. That according to the best of my knowledge and belief, I have entered therein the name of every person entitled to be entered either under THE ASSESSMENT ACT, or any other Act; and that I have not intentionally omitted from said roll the name of any person whom I knew or had good reason to believe to be entitled to be entered therein under any or either of the said Acts.

5. That the date of delivery or transmitting of the notice required by section 51 of The Assessment Act is in every case truly and correctly stated in the said roll.

6. And I further say that I have not entered the name of any person at too low a rate in order to deprive such persons of a vote, or at too high a rate in order to give such persons a vote; and that the amount for which each such person is assessed in the said roll truly and correctly appears in the said notice delivered or transmitted to him as aforesaid.

7. I further say, that I have not entered any name in the above roll, or improperly placed any letter or letters in column 4, opposite any name, with intent to give to any person not entitled to vote a right of voting; and that I have not intentionally omitted from the said roll the name of any person whom I believe to be entitled to be placed thereon, nor have I, in order to deprive any person of a right of voting, omitted from column 4 opposite the name of such person, any letter or letters which I ought to have placed there.

(Sgd) James Finley  
(u) Charles J. White

Sworn before me at the Village
